

# Author, Founder President And Managing Trustee Message,

For over 18 years, Me , My Friends and My calques has been friendly involved in social development and empowerment through education and social welfare activities in and around Kanjipuram District , all over Tamil Nadu and were ever Required Humanitarian help in Tamil Nadu.

In memory of our **Great Saint Swami Vivekananda and his vision**, I Desirous of creating a legal Registered Trust under Indian Trust Act, 1882 for Charitable Purposes with objects within the meaning of meaning of Charitable Purposes under the Income tax Act, 1961 on **Swami Vivekananda's Birth Day of 12<sup>th</sup> January 2012.**

**Vinayaga Trust** is to be synonymous with quality education, Health, Way of living and sustainable social empowerment. While our belief in universal education and healthcare are slowly empowering rural communities throughout many generations, I would like to highlight **the immediate needs of the socially and developmentally challenged rural poor, who have no community or government support.**

**Vinayaga Trust** Social Development unit focuses on the young and the old, physically and mentally challenged, women and children, healthy and sick people in and around Kanjipuram District.

**Its main goal is to provide for and empower those who are not able to take care of themselves.**

We should provide a whole range of services such as home for orphans, physically and visually challenged, short – stay home for women and girls, old age home, rehabilitation Centre for alcohol and drug addicts and disability rehabilitation Centre.

**Vinayaga Trust** is also deeply committed to the United Nations Millennium Development Goals (MDG) and it is our Great Saint Swami Vivekananda says, "strong body and strong mind to be creat a great world" like in areas such as poverty and hunger eradication, providing universal primary education, promoting gender quality and empowering women, reducing child morality, improving maternal health, efforts to reduce HIV / AIDS and TB, ensuring environmental sustainability.

**Vinayaga Trust** Institutions and dedicated staff continue to steady strong expand and provide better services to the marginalized people in the society in order to empower them.

With warm regards,

Your sincerely,
